

# ORCHIDS

AT PALM COURT

#

“ Orchids is the unexpected love child of old world and new school and quite possibly a definitive new wave for defines hot.”

“An extraordinarily inventive menu with a gorgeous sprawl of decidedly exotic ingredients, Kelly weaves intricately arranges melodies of prime cuts, colorful produce, fine grains and delicate sauces into a savory whirligig of dishes.”

“Do not pass on dessert, as pastry chef Kat Kessler synergizes her own remarkable talent with Kelly’s to provide a near symphonic quality to the entire dinner.”
